Re: 2008 Golden Trowel Results

Dear Buddie:

I congratulate you and everyone at Dee Brown, Inc. on having three Golden Trowel First Place Awards for the Acme Brick Headquarters, the SMU Collins Executive Education Center, and the Montgomery Farm Cisternae "A" Category projects. Dee Brown is also to be congratulated for its Honorable Mention Award for the Frisco City Hall & Library project and its achievement of Exemplary Craftsmanship on the Old Red Courthouse Clocktower Phase III project. There is no doubt that Dee Brown, Inc. has excelled beyond the highest standard of a masonry contractor this year.

It is a privilege for us at Cutler-Smith to represent an industry which does so much, and so well.

Again, congratulations on your big wins. I am,

Very truly yours,

Spike Cutler
