Dear David:

We were delighted to receive The Golden Trowel Award that you forwarded at the end of last month. It has a place of honor in our office. Please convey these sentiments to everyone at Dee Brown involved in this singular project.

We also understand that other awards will be conveyed on the project. It is a testament to all those who worked so diligently to make it a reality. Congratulations, all the hard efforts in the field are being reflected now that the project is complete.

Best regards,
